Dear Parent/Guardian(s):

Under the No Child Left Behind Act of 2001 (NCLB Act), families, educators, and communities work together to improve teaching and learning. This legislation intends to ensure that you have the information to make well-informed choices, share responsibility with our school, and assist us in developing effective and successful academic programs.

Your child, _____ in consultation with his/her teacher, has been recommended for additional help in the following academic areas:

_____ Mathematics

_____ Language Arts Literacy

Without a doubt, parent involvement is the keystone of this effort. Parents play an integral role in their children's education; therefore we invite you to join us in the many activities that improve communication between home and school and strengthen the capacity for parents to become involved in their children's education.

During the parent-teacher conference period (November 17 – 29), you will have the opportunity to meet with your child's Title I teacher(s) to discuss your child's progress. At that time, you will be asked to sign your child's Individual Improvement Plan (ISIP) and the Parent-School-Student Compact. Attached is the Parent-School-Student Compact.

If you have any questions or concerns feel free to contact me at 884-8485.

Sincerely yours,
