

Hey everyone!!!

good meeting on wednesday at 2pm!

many thanks to those who attended and those who are still expressing interest and helping hands and time.

NEXT **HARVEST SUPPER meeting will be TUESDAY nov 3rd @ 2pm** /room and reminder to be sent later

This one will be big as it will be so close and we will need a good plan.

Here's what happened this week:

Decor Committee (vicki, amy and laura)

pta greed on \$50 budget for these ladies. agreed reas or marlboro farms for as much free stuff as possible

agreed on plastic table cloths and general layout

ladies will begin decor at 330pm that day if u want to help

thanks ladies! we are all confident it will look super and feel festive w/ ur expertise

Raffle/Prizes and Auction Committee (nancy, brandy, valerie)

went thru list of vendors/merchants we are soliciting

we havent scored anything HUGE yet like a bike, scooter.etc so we are really trying to pull resources and see what we can do. we have however had lots of nice luck with restaurant gift certificate and local cape may merchants too

Amber suggested that USCG peeps ask around for services..haircuts, lawn cuts, partylite..etc. good idea.

If we ALL ask about 2-3 people or merchants we may know..chiropractors, nail tech, chef,etc,etc..it could add to some really nice raffle items. the better the raffle the more we spend for a chance to win !! **LETS WORK TOGETHER!!**

committee is clear about needing thank you board and baskets/buckets for tix as well good signage and nice display.

committe will prove their own tablecloth and auction set up/ any donation: call brandy @ 884 0488 or Val Gerhke

will also need help at the door, selling tix and selling 50/50 raffles

Flier

heather made a really nice flier. we agreed that \$10 per family is a nice price for the evening. we all agreed on info and layout. that will go out this weekend with the kids. we hope that everyone will prepay!.

Food Committee (chris, amanda, jon, shannon, dawn, heather,lou)

well we went round and round about the darn turkeys. how many, how to,etc...and left w/questions **BUT...**

Amanda and Jon Fuelner have so graciously agreed to handle the turkeys in their own restaurant and time!!!

PLUS the mash potatoes and GRAVY !!! WOW ! super good news and a big relief. this was a big expense and worry last year.we are happy to buying turks wholesale and such free expert labor!!

Chris and heather are now trained in ktichen and still investigating rolls and butter and heavy duty plasticcutlery costs

we may need some crockpot donations/lend for the gravy

we agreed to ask around for beverage and cup donations too.(cran, oj, apple, icedtea, water)

agreed on dessert contest and need to organize this area properly
will need help serving that nite

Games

agreed on no dj and just mixed music. heather is learning the overhead system for this. brandy has all the mixed cds.

agreed no mummywrap

Angie Brandt and Steph Grubb agreed to come up with at least 2 games for the kids.

Thanks so much ladies! lots of good ideas went around and it sounds like it will be fun fun fun!

Art

agreed on a lil crafting and busy stations maybe making pilgrim hats and indian bands for this.. dawn suggested later that we put this at each table so kids can work along with parents before dinner

looking for volunteers to cut out these items ahead of time

Student council and special touches

agreed that the spirit and meaning behind our get together has been missing. Heather is contacting mr. doto and student council bout adding a lil thanksgiving touch.."sharing, caring and community". everyone agreed this would be nice and nice to involve the older students in a meaningful manner. cant wait!

please forward this as much as possible to anyone who may want to be in the loop or may want to donate or help at all...til the next time...

thanks!

brandy (pta secretary)
